Education

Eastern Michigan University

Sept 2017-Dec 2020

Bachelors of Business Administration, Accounting & Information Systems

GPA: 3.42

Activities: ROTC, Endurance Runner, Rec Basketball, EMU Mentor Collective

Objective

Accounting Information Systems graduate seeking a position that will further my professional development while utilizing my diverse background in multiple industries - automotive, business communications, and military operations. I'm a fast learner who is receptive to coaching. I have been noted for ability to problem solve effectively through the utilization of emotional intelligence and analytical thinking.

Experience Highlights

Coupa Software, Technical Support Specialist – Ann Arbor, MI
